(business) (home)

Please provide the following items:

- 1 MSM will provide up to **\$1500.00** (available with a 50/50 match). To be eligible for the grant the Security Review Committee or the Executive Director MSM must determine that the camera installation will benefit not only the property/business owner, but also the **surrounding public space**.
- 2 Recordings must be made available to the Morgantown City Police Department via the internet (only if there is a reported incident or crime). These recordings will need to be saved on a (DVR System) up to 5 business days.
- 3 It is also recommended that you provide one camera per 30 feet to be approved for these grant dollars. An onsite visit is available for anyone considering this grant, to assure grant approval.

Estimated Cost: Materials \$ _____ + Labor \$ _____ = Total \$ _____

The review committee must approve all work before completed. Please provide them with any additional information that will help in the evaluation process. Please call on the review committee for advice about or clarification of proposals.

The recipient of a security camera grant must provide Main Street Morgantown with receipts for all materials used and work performed before a check for the grant amount will be issued. This grant is for matching funds, and the grantee is responsible for an equal amount.

I, _____, fully understand the special conditions and requirements set forth in this program and agree to follow Main Street Morgantown's Security Camera Guidelines of this property.
